

**Name:**

Abdurahman Matbouli

County:

Saudi Arabia

Company:

Savola Foods Company - KSA

Job Title:

Quality Control Manager

What is your current role?

I am a Quality Control Manager at Savola Food Company - KSA.

Why did you join the BRCGS Professional Programme?

I joined the program to improve my knowledge, enhance the food safety culture among my colleagues and show commitment of Savola Food – united Sugar company to our valued customers.

What value do you personally feel the BRCGS Professional certification brings to you?

I believe BRCGS Professional certification has given a boost to my CV and it also made me more self-assured and confident in terms of dealing with customers inside and outside of the organization.

How has/will the recognition programme impacted your work?

It helped me enhance our food safety culture, increase the level of trust among our customers and improve our Food Safety program.

How did you get to your current role?

I joined the management trainee program 7 years ago after graduation and started as a Quality Controller, later I got promoted to the Lab Manager role and after that I have progressed to become a Quality Control Manager.

What is your educational background?

I have a BS degree in Biochemistry Science from the King Abdulazeez University.

What are your career ambitions/aims?

To join the leadership team of our company.
